College Pro edits together a fast paced montage of the best shots of the party for an ending to the video that no one will forget.

ADDITIONAL OPTIONS:

Photo Montage

A variety of photos supplied by the family are edited in a dazzling display of the latest computer animation and digital technology. 100 pictures (7-8 Minutes) of Mitzvah child, family, friends life up until the Bar/Bat Mitzvah. **\$350.00**

Showing of Montage on a Big Screen at the Party/Reception

College Pro sets up a projector, DVD player, very big screen, speakers, and all necessary equipment to show your special photo montage at the party. **\$450.00 (includes setup)**

Highlight Video

A 10-minute shortened version of your video capturing the most important, funny, and emotional events of your day. (Perfect for family and friends) Only the best of the best of the best video clips put together for an energetic and lively short video. **\$300.00**

2nd Videographer at the Party/Reception

2 cameras produces a much better video! A second cameraman/woman guarantees that nothing is missed. A second cameraperson also allows for more versatility in moving around and getting more creative/fun shots. The more video footage we have to choose from, the better your final product will turn out. By having 2 cameras, we have twice the amount of footage, which creates twice the amount of editing. This price includes all the extra editing hours in the studio. A video produced with the footage from two cameras turns out significantly different/better than a video produced with one camera. **\$800.00**

Video of Ceremony or Ceremony Rehearsal

If your temple allows video to be taken during the ceremony, College Pro will take the copy of the video and edit it into a DVD format with its own professionally authored motion menu. If your temple does not allow video during the ceremony, College Pro will videotape the ceremony rehearsal. **\$75.00 (per hour)**

Approximate shooting/editing/dvd production time is 5 hours
