ADDITIONAL OPTIONS:

Photo Montage

A variety of photos supplied by the family are edited in a dazzling display of the latest computer animation and digital technology. 75 pictures (7-8 Minutes) of Bride and Grooms family, friends and their life up until the wedding. 3 home video clips included. (Edited together with your choice of favorite songs to show at the Wedding) **\$350.00**

Showing of Montage on a Big Screen at the Reception

College Pro sets up a projector, DVD player, very big screen, speakers, and all necessary equipment to show your special photo montage at the reception. **\$450.00 (includes setup)**

Highlight Video

A 10-minute shortened version of your video capturing the most important, funny, and emotional events of your day. (Perfect for family and friends) Only the best of the best of the best video clips put together for an energetic and lively short video. **\$300.00**

2nd Videographer for the day

2 cameras produces a much better video! A second cameraman/woman guarantees that nothing is missed. A second cameraperson also allows for more versatility in moving around and getting more creative/fun shots. The more video footage we have to choose from, the better your final product will turn out. By having 2 cameras, we have twice the amount of footage, which creates twice the amount of editing. This price includes all the extra editing hours in the studio. **\$800.00**

Honeymoon Montage

75 pictures from your honeymoon. Edited together with your choice of songs. **\$250.00**

Video of Formal Picture Session
